

2009-10 Administrative Salary Schedule
Level 1 through Level 5

No member on the administrative salary schedule shall advance with steps on the salary schedule during the 2011-2012 & 2012-2013 contract year. It is the intent that if the district is fiscally stable at the duration of the 2013-2014 contract year, employees on the administrative salary schedule would advance one step from their current salary position. There would be no "catch-up" provision on steps that were lost during this hold and freeze.
