Dear Parent/Guardian and Secondary Students:

Our district receives funds from the federal government under the *No Child Left Behind Act of 2001*. These funds are used in a variety of ways to provide additional help to students in greatest academic need. The law also requires that districts receiving these funds must, upon request, provide to military recruiters, colleges and universities, access to the names, addresses and telephone listings of secondary students.

It is important for you to know that a secondary school student or his/her parent or guardian may request that the student's name, address, and telephone number not be released by the district *without prior written parental consent*. If you would like to make such a request, please complete the following and return it to your child's school. **If you do not return the form, your child's directory information will automatically be released if requested by a military recruiter, college or university.**

***Parent or Guardian: Please complete this section and return the entire form to your child's school.  
Use a separate form for each child.***
