By holding the highest standards and consistently exceeding them, you help us achieve extraordinary results. Because of you, our district is stronger every day.

The Miamisburg City School District has an excellent staff. We want to recognize our everyday accomplishments. Please nominate a staff member who exemplifies 40 Assets by supporting the healthy development of our students or a staff member who demonstrates Best Practices. Selected staff members will be highlighted at a board meeting, on the website or in the Viking Voice. Please send all completed nomination forms to Brenda Hibberd – Memorial Building.

REASON STAFF MEMBER IS NOMINATED

On March 5, 2019 Mr. Saylor, Ms. Hobbs and Ms. Moody exemplified how teachers and administrators take the extra step in the care of their students. On this date each of these individuals, after school hours, ensured the care of several Kinder students and went the extra mile by riding to the hospital and staying with the a student until the parent/guardian arrived for pickup. Many individuals only see what happens during school hours and yet do not hear or see the extra steps taken each day to improve the life of a student. Although not the first time these individuals have shown this positive attitude and caring manner, in their professional lives, we want to at a minimum let them know it does not go unnoticed and is appreciated. The 40 asset sections reflected in each of these individuals were asset #10 (Safety) and #26 (Caring). Thank you for what you do each day in making a student expereince positive.
