Please respond to this question with your answer in as many words as you need.

What do you think the word 'Patriotism' means, not by definition necessarily, but what it means to you? How do you embody patriotism? If you know something about the soldier for whom this scholarship is being awarded, how do you think he or she viewed Patriotism? What would it mean to you if you were awarded this scholarship? This soldier gave the ultimate sacrifice so that you, your family and friends could live in freedom here in the U.S. What does that mean to you, how do you intend to 'pay it forward'?
