REASON STAFF MEMBER IS NOMINATED

Ms. Mesta is a reading tutor who has gone above and beyond the call of duty her entire tenure at Mound, but most notably during the COVID shutdown. Ms. Mesta, despite being on a substitute contract, met with each of her Tier III students, and many who were in the Reading Recovery program throughout the entire shutdown. Several students made 3 and 4 levels growth in the LLI program during this time by working with her one on one for 30 minutes a day. When thanked for her service to her students during this time (and for the tutoring she has planned for the summer) she states that the reward is seeing the students make progress.
