

Making A Difference!

By holding the highest standards and consistently exceeding them, you help us achieve extraordinary results. Because of you, our district is stronger every day.

The Miamisburg City School District has an excellent staff. We want to recognize our everyday accomplishments. Please nominate a staff member who exemplifies 40 Assets by supporting the healthy development of our students or a staff member who demonstrates Best Practices. Selected staff members will be highlighted at a board meeting, on the website or in the Viking Voice. Please send all completed nomination forms to Brenda Hibberd – Memorial Building.

REASON STAFF MEMBER IS NOMINATED

Chris House is not your ordinary substitute teacher. She has been in our district for 18 years. She goes above and beyond what you would think any sub teacher would do. This past summer, Chris took time out of her summer to help plan the first MMS retreat where a group of MMS teachers came together to work on building morale and concerns. Chris began this school year as a long term sub for our intervention specialist. She came in at the end of July so she could be apart of our Open House. Chris has created documents for the students on her caseload in order to track behaviors and work completion. She went out and purchased earbuds for those students who did not have any. She also bought locker organizers for students who were having a hard time keeping their things organized and ready for class. Chris knows the expectations of the students here at MMS and makes sure that these expectations are followed. Chris has done every job that each teacher on our teams performs, such as posting homework, assigning detentions, giving out Super Viking awards. Chris House truly makes a difference in this school!
