REASON STAFF MEMBER IS NOMINATED

Mrs. Janet Crawford is one of the best support staff member we have ever worked with at Miamisburg Middle School. Mrs. Crawford is caring, helpful and most importantly insightful on what's important to our students in order for them to be successful.

Mrs. Crawford is always willing to help students of Team 8. She has high expectations for all students and supports staff members so everyone can do their very best. Mrs. Crawford cares about every student and is willing to help in any way she possibly can.

Mrs. Crawford is always willing to help any teacher in ways that go above and beyond.. She recognizes a need and takes initiative to offer assistance. For example, during a roller coaster unit in Science, Mrs. Crawford offers help to all students. Also, during a novel study, she facilitates small group discussions with a group of students. It is not uncommon for Mrs. Crawford to circulate around the room to help students stay on task.

Mrs. Crawford is always making us laugh and helps us find the lighter side of things. Her sense of humor makes working together fun. Janet is always flexible and willing to do whatever is needed to help the team while also looking out for the best interest of her student.

It is a pleasure to work alongside Mrs. Crawford. We appreciate all she does for our team and would like to nominate her for the Making a Difference award.
