Mark Twain News

We will be hosting a Mark Twain Round-Up as we gather up school material and get items back to students. In order to avoid congestion and long delays we ask that you come between the designated times. Wednesday, May 20th, students with last names beginning with A-D from 8:00 a.m. to 11:00 a.m. and students with last names beginning with E-K from 12:00 p.m. to 3:00 p.m. Thursday, May 21st, students with last names beginning with L-R from 8:00 a.m. to 11:00 a.m. and students with last names beginning with S-Z from 12:00 p.m. to 3:00 p.m.

Cars are to enter off of Richard Street and use our regular pick up/drop off lane as this will be a drive thru process. Please have a piece of paper taped on your passenger side window with the student's first and last name written clearly on the paper. You are asked to stay in your vehicle. Staff members will bring appropriate items to your vehicle. We will also collect any necessary materials that need to be turned in. Once all materials have been collected or turned in, please exit the parking lot back on to Richard Street. Keep in mind we have a number of things to get back to students ranging from art projects, recorders, classwork, student journals, workbooks and much more. **Each family should plan to drive thru and pick up student materials and personal belongings.**

Should you be dropping off items we will provide a tag for you to fill out. You may have things such as textbooks, library books etc to return. If paying school fees or outstanding lunch balances please put that in an envelope with your child's name and amount. You may also make payments at www.payschoolscentral.com

Attention Miamisburg School Families - if you had not heard, here is information on Pandemic EBT Benefits to Support Children during the COVID-19 Emergency.

About 850,000 Ohio children who receive free or reduced-price meals at school will soon receive money to buy food through the Pandemic Electronic Benefit Transfer (P-EBT) program, the Ohio Department of Job and Family Services (ODJFS) announced today. This funding was made possible by the federal Families First Coronavirus Response Act. ODJFS worked with the Ohio Department of Education to submit Ohio's plan, which just received federal approval.
