

Making A Difference!

By holding the highest standards and consistently exceeding them, you help us achieve extraordinary results. Because of you, our district is stronger every day.

The Miamisburg City School District has an excellent staff. We want to recognize our everyday accomplishments. Please nominate a staff member who exemplifies 40 Assets by supporting the healthy development of our students or a staff member who demonstrates Best Practices. Selected staff members will be highlighted at a board meeting, on the website or in the Viking Voice. Please send all completed nomination forms to Brenda Hibberd – Memorial Building.

REASON STAFF MEMBER IS NOMINATED

I want to take a minute to share with you what an exceptional principal our Mound Gophers have in Mrs. Huber! While I'm sure you know firsthand she's an outstanding leader for our school- she truly does go above and beyond.

I have been at Mound for 15 years working under 5 different principals, and I think it should be recognized that Becca far exceeds any of them with our students and staff!

I was out today, and she knew I wasn't doing well: physically, mentally or emotionally. She called me firsthand and text me to check on me to see how she could help me. I've never experienced this with another principal, and it isn't the first time she's done this for me in addition to countless other staff members.

I am writing YOU because in my fifteen years, I've received many "praise" emails from parents, but it's only been a handful of times those parents went to my principal to do the praising. Typically the phone calls and emails only go up the ladder if there is a complaint attached. Now, more than ever, we need to appreciate and celebrate greatness, and it deserves to be noted we definitely have greatness in our leader at Mound.
