REASON STAFF MEMBER IS NOMINATED

We would like to nominate Amy Bair for a Making a Difference Award. For the past several years Amy has graciously accepted any student assignement, and has adjusted her schedule to meet the needs of her students . She actively seeks out information about the students that she is directly tied to as well as the other students in the classes she is in. She learns about their needs and proceeds to build a rapport with them to best serve them while in our building. She quickly earns the trust of her students and they frequently seek her out in time of need. She does a great job supporting the students while also helping them build independence and gain confidence as she slowly removes her support. One of Amy's biggest assets to the building is her ability to collaborate and communicate with parents, students, staff and administration. She is an advocate for her students but teaches them to advocate for themselves. With out a doubt Amy has been a positive impact on our students and staff at MHS and we would like to thank her by recognizing her for her efforts. Thank you Amy for Making A Difference.
